During the Workshop meetings, it will be necessary for all (Master Plans, Preliminary and Final Site Plan, Annexation, and Zoning Map Amendment) applicants to pick up their signs to post the property as provided in Section 301 of the LMC. Posting verification affidavits must be returned to the Planning Department in accordance with approved policy and a photo of the sign placement on the property submitted to the project planner. Please remember to take down old signs if your project is continued and contact us for a new sign to assure being heard at the public hearing. You are still obligated to pick up your signs and post them on the appropriate date. Improper advertising may result in not being able to hear your case.
